About Us

Rolex Roll Forming Machinery was started with the aim of becoming a technological partner to a large number of companies across the market. To attain the aim, we operate our business with complete honesty and provide hi-tech W Beam Roll Forming Machine, Automatic Roofing Sheet Crimping Machine, Hydraulic Decoiler Machine, Bending Machine, Sheet Cutting Machine, Interlocking Tile Press Machine, and many other machines. Each of the offered creations gets developed at our premises with the utmost focus on details, offering excellent performance, better working speed, and profitability to the investor. Our machines are a good value due to their lower operational costs and excellent output rates.

We are a technology-focused company that prefers to stay updated with the latest developments in the fields, and incorporate them to upgrade the product line and add new items to it. Our research and development initiatives, such as surveys, also help us gain a better understanding of the industrial requirements and create products, accordingly.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	sheet bending machine,roof roll forming machine,
No of Staff	10
Year of Establishment	2020
No of Production Lines	1
OEM Service Provided	No
ProductRange	sheet bending machine,roof roll forming machine,

Our Products

Mild Steel Double Profile Roll Forming

Automatic Roofing Sheet Crimping

Industrial C Purlin Roll Forming Machine

W Beam Roll Forming Machine

Mild Steel POP Channel Roll Forming Machine

Three Phase Roofing Sheet Making Machine

Mild Steel Automatic Hydraulic Decoiler

Semi-Automatic Metal Sheet Bending

Mild Steel Sheet Cutting Machine

Semi-Automatic Rolling Shutter Patti

Hydraulic Single Profile Pop Machine

Mild Steel Interlocking Tile Press Machine

ADDRESS

Bno Survey No. - 144p1, Plot No.-
8, Opp. J D Metal, Padavla,
Rajkot, Gujarat, India (360024).
